

It's Magic!

Challenge: Your challenge is to create and PRESENT a story that includes something magical. Use the materials provided to create something that helps to tell your story.

Time: You will have 6 minutes to use your imagination to create your story and plan your PRESENTATION, and 2 minutes to present your story.

The Scene: It is fun to see a great magician at work, but actually, life is full of things that seem magical. In Part 1 (6 minutes), think of something from real life that can seem magical. Create a story about that thing. Use the materials to make something to use in your story. In Part 2 (2 minutes), present your story to the Appraisers.

Materials:

- 1 sheet of colored construction paper
- aluminum foil, 12 inches
- paper sack
- 2 adhesive labels
- scissors & markers (may not be part of presentation)
- paper & pencil (may only be used for planning)

Scoring: You will receive

- A. Up to 10 points for the creativity of your performance
- B. Up to 10 points for how creatively you use the materials
- C. Up to 10 points for how effectively your constructed item fit your story
- D. Up to 10 points for the completeness of your story (beginning, middle, end)
- E. Up to 20 points for how well your team works together
