

IOWA Destination ImagiNation[®] 2011 projectOutreach[®] REGISTRATION INSTRUCTIONS

Do NOT use with any other Challenges

Welcome to another exciting year with Destination ImagiNation[®] in Iowa. Please review the following instructions to register your team for the Iowa Destination ImagiNation[®] tournaments.

A registration fee of \$60.00 per competitive team (Middle, Secondary Level, or University Level) and \$40 for each non-competitive team must accompany this registration form. Non-competitive teams include those middle, secondary, or university teams that choose to participate without being scored. Fees for all teams from a membership may be paid with one check or listed on the same Purchase Order.

Registration Deadline: **December 21, 2010**

Registrations postmarked after December 21, 2010 will have a registration fee of \$80 per competitive team and \$60 per primary or non-competitive team. Late registration deadline is January 7, 2011.

Each team, that performs in projectOutreach[®] is responsible for providing an individual, who will be trained by Students for a Creative Iowa, to serve as a Challenge Appraiser at the Destination ImagiNation[®] tournaments in Iowa. A trained Challenge Appraiser is required to represent your team at the Substate Tournament in order for your team to participate at the State Tournament. A trained Challenge Appraiser who has appraised at the regional level is required to represent your team at the State Tournament in order for your team to compete at the state level and advance to the Destination ImagiNation[®] Global Finals (if team qualifies). This ensures that all teams have an adequate number of well-trained Appraisers to watch, enjoy, and award points for team performances at each tournament.

Requested registration forms and related fees are to be mailed to:

IOWA Destination ImagiNation® 2011 APPRAISER CHALLENGE OVERVIEW

Returning Appraisers who appraised in both 2009 and 2010:

You may pre-select your Challenge prior to training by e-mailing your request to:

only_kman@yahoo.com

prior to January 23, 2011.

All other Appraisers (and returning Appraisers who are not pre-selecting):

Please review the Challenges listed and come prepared to select your challenge at the training session. Please note, however, that at the time of your Challenge sign-up, not all Challenges may have open slots and you must be prepared with alternative selections and the possibility of being assigned to a Challenge based on Tournament need.

Challenge A – Unidentified Moving Object (Technical)

Focus: Design and Construction, Innovation and Design Process, Mathematics, Modularization, Optimized Design, Experimentation, Theater Arts, Teamwork

Your team will:

- Design and build Equipment to move various Materials to and from towering heights
- Start and end the Presentation with the Equipment contained in a Storage Box
- Create and present a Sales Promotion highlighting the features of the Equipment
- Complete all of the above with no AC electrical power

Challenge B – Spinning a Tale (Science)

Focus: Science, Research of Energy Cycles in the Natural and/or Physical World, Innovation and Design Process, Theater Arts, Playwriting, Technical Design, Construction, Teamwork

Your team will:

- Research Energy Cycles in the Natural and/or Physical World
- Develop and present an original three-act Circular Story that demonstrates knowledge about one Energy Cycle of the team's choice
- Create a Dicycler that changes as the Story progresses and the acts change
- Create a Finale that uses your Dicycler to signal the end of your Presentation

Sponsored by: Ameresco

Challenge C – Triple Take Road Show (Fine Arts)

Focus: Playwriting, Theatrical Presentation, Storytelling, Storytelling Relevance, Special Effects, Innovation and Design Process, Construction, Teamwork

Your team will:

- Use three different Storytelling Methods to tell the same story to three team-chosen Pretend Audiences
- Portray the Travel Methods used to move your Traveling Road Show between different Pretend Audiences
- Integrate a team-created Technical Spectacle into one presentation to a Pretend Audience

Release/Disclaimer

By my participation in an event conducted by an Affiliate, Region or other gathering related to the Destination ImagiNation program, the participant or participant's parents or participant's guardian understands and hereby voluntarily agrees to release, waive, forever discharge, hold harmless, defend and indemnify Destination Imagination Inc., and their agents, officers, boards, volunteers, and employees from any and all liability and all claims, actions, or losses for bodily injury, property damage, wrongful death, loss of services, or otherwise which may arise out of the participant's participation in activities related to the Destination ImagiNation event, including travel to and from the event.

Challenge D – Mythology Mission (Improvitational)

Focus: Research and Understanding of Cultures, Mythology, Improvisational Acting, Story Development, Theater Arts, Teamwork

Your team will:

- Create a five-minute Improvisational Skit about a Mission involving a Mythical Creature. This must be done in a five-minute Preparation Time prior to your Presentation at the Tournament.
- Incorporate research about a Culture from a country
- Incorporate three Souvenirs randomly selected from the list of items and combine them to create one Master Prop
- Incorporate an Unexpected Problem that is discovered on stage

Challenge E – Verses! Foiled Again! (Structural)

Focus: Architectural Design, Structural Engineering, Construction, Material Science, Research, Innovation and Design Process, Mathematics, Theater Arts, Poetry, Teamwork

Your team will:

- Design and build a Structure made only of Aluminum Foil, Wood and Glue
- Test how much weight the Structure will hold
- Present a Story about a character that is Foiled
- Integrate team-written Verse and published Verse into your Story

Sponsored by: 3M

Rising Stars!® – Big Bug’s Bad Day (non-competitive)

Focus: Entomology, Research, Zoology, Storytelling, Performing in Front of an Audience, Team Problem Solving, Teamwork

Calling our youngest creative problem solvers! Designed for 4- to 7-year-old kids, Big Bug’s Bad Day asks your team to:

- Learn about bugs and how they work with other living things
- Create a play that tells about Big Bug’s bad day
- Explore how Big Bug’s friends try to make the day better

Instant Challenge: (Required for all teams)

Instant Challenges require your team to engage in quick critical thinking. At a Tournament, your team will receive an *Instant Challenge* and the materials with which to solve it. Team members must think on their feet by applying appropriate skills to produce a solution in a period of just five to eight minutes. *Instant Challenges* provide an exciting, impromptu creative experience for your team!

APPRAISER AGREEMENT
for Appraisers representing projectOutreach® teams**

The Appraiser should answer the following questions and reserve these dates.

(Please NEATLY print or type Appraiser's name)

DI TEAM NUMBER: 112- _____

DI TEAM NAME: _____

The projectOutreach® and University level teams compete only at the State Tournament. However, these teams must provide an Appraiser that will appraise at the Substate Tournament also. Failure to provide an Appraiser for the Substate Tournament will disqualify the team from competing at the State Tournament.

I agree to represent the above team at the Substate Tournament:

Ames on March 5, 2011

I understand that I must serve as an Appraiser at both the Substate Tournament and the State Tournament on April 9, 2011.
