Portrait Frame
A Task-Based Instant Challenge
Team Copy

**Challenge:** Your challenge is to create a Portrait within the framed grid area by following certain rules.

**Time:** You will have 5 minutes to plan your portrait, and 2 minutes to create it.

**Set-up:** There is a framed area on which you will hang cards. There is also a taped-off area on the floor called the cre8 area.

**Procedure:** You have been hired by cre8iowa to create a Portrait, made only of cards, to be sold for charity. However, cre8iowa has some rules that they want you to follow, but leaves it up to you about which and how many rules you follow.

- During the first part of the Challenge, you will have 5 minutes to plan which rules to use and how to create your picture outside of the cre8 area.
- During the second part of this Challenge, you will place your note cards onto the hung framed area without any verbal communication. Only one team member at any time can be in the cre8 area.
- Before the end of the second part of this Challenge, you must write on a piece of paper what rules you plan on following.
- For the purposes of this Challenge, Portrait means a picture.

**Materials:**
- 2 sheets of paper
- 1 pencil
- 16- 2-inch x 2-inch pink cards
- 16- 2-inch x 2-inch blue cards
- 16- 2-inch x 2-inch green cards
- 16- 2-inch x 2-inch yellow cards

None of the cards or the pencil may be damaged or modified in any way.

**Scoring:** You will receive up to:
A. 3 points for each rule successfully used (up to 30 points total)
B. 10 points if all rules are successfully used
C. 30 points for the creativity of the Portrait
D. 15 points for how well your team works without verbal communication to create the portrait.
E. 15 points for how well your team works together.

For the Appraisers only:

Set-Up:
1. Place the framed grid upright (felt-covered 27-inch by 27-inch cardboard with grid). Tape a 3-foot by 2-foot area just in front of the grid, this is the cre8 area.
2. To make easier: Use second frame that leaves a 6-foot by 6-foot framed grid area, Easy Rules, and 9 cards per color.
3. To make more difficult: Use Advanced Rules.
4. Note: you have 4 extra cards of each color (20 total per color). It is intentional that there are not enough cards to cover all available space in the Standard and Advanced rules.
1) Use two (2) green in column 4.
2) Use three (3) blue in row 1.
3) Use one (1) yellow in quad 3.
4) Use two (2) pink in column 2.
5) Use one (1) yellow in row 3.
6) Use three (3) green in quad 2.
7) Use two (2) pink in quad 4.
8) Use one (1) blue in quad 1.
9) Use three (3) pink in row 6.
10) Use two (2) yellow in column 5.
