Challenge: Design and construct a replacement for the Thanksgiving Turkey. Develop and perform a humorous performance based on Thanksgiving football.

Time: This is a two-part challenge. In part one, you will have 4 minutes to design and construct a replacement for the Thanksgiving Turkey and develop a two-minute performance.
In part two, you will be given 2 minutes to present to the appraisers your Turkey replacement and to give your performance.

Procedure: Many modern Americans watch football on Thanksgiving. Unfortunately you forgot to put the turkey in the oven until the beginning of the third quarter. Quickly you slid the still frozen turkey into the oven, turned up the heat and got back to the football game. Currently there are only two minutes remaining in the football game. Dinner guests will be arriving in a few minutes. You have just checked on the turkey and it really smells awful. It is burned on the outside and frozen on the inside. Your team’s challenge is to use the materials provided to develop something different to serve up for the thanksgiving feast. You will then use your IMAGINATION to present a humorous performance based on Thanksgiving football.

Materials: (Whatever your TM has provided, a few of this, some of that, a little of those)

Scoring: You will receive
A. Up to 30 points for the creativity of your Turkey replacement.
B. Up to 20 points for how well your team works together.
C. Up to 50 points for the creativity and humor of your team presentation during part two.
